

# Cookies Policy

## Introduction

This Cookies Policy (the "**Policy**") explains how Telemedicine Technologies S.A.S., data processor on behalf of the sponsor, the data controller, whose registered office is at 121 rue d'Aguesseau, 92100 Boulogne-Billancourt, France (hereinafter "**Telemedicine**", "**we**", "**our**" or "**us**") uses cookies and similar technologies to recognise you when you visit this website and its sub-domains (the "**Website**"). It explains what these technologies are and why we use them, as well as your rights to control our use of them.

## What are cookies?

Cookies are small data files that are placed on your computer or mobile device when you visit a website. Cookies are widely used by website owners in order to make their websites work, or to work more efficiently, as well as to provide reporting information.

Cookies set by the website owner are called "first party cookies". Cookies set by parties other than the website owner are called "third party cookies". Third party cookies enable third party features or functionality to be provided on or through the website (e.g. interactive content and analytics). The parties that set these third-party cookies can recognise your computer both when it visits the website in question and also when it visits certain other websites.

## Why do we use cookies?

We use first party and third-party cookies for several reasons. Some cookies are required for technical reasons in order for our Website to operate, and we refer to these as "strictly necessary" cookies. Other cookies also enable us to track and target the interests of our users to enhance the experience on our Website. Third parties may serve cookies through our Website for analytics and other purposes. This is described in more detail below.

The specific types of first- and third-party cookies served through our Website and the purposes they perform are described in the table below:

Types of cookies	Who serves these cookies	How to refuse these cookies
<b>Strictly necessary cookies:</b> These cookies are essential to provide you with services available through our website and to use some of its features, such as access to secure areas.	<a href="http://www.tentelemed.com/">http://www.tentelemed.com/</a>	Because these cookies are essential to deliver the Website to you, you cannot refuse them. You can block or delete them by changing your browser settings however, as described below under the heading "How can I control cookies?"

## How can I control cookies?

You have the right to decide whether to accept or reject cookies. You can exercise your cookie preferences by clicking on the appropriate opt-out links provided in the cookie table above.

You can set or amend your web browser controls to accept or refuse cookies. If you choose to reject cookies, you may still use our website though your access to some functionality and areas of our website may be restricted. As the means by which you can refuse cookies through your web browser controls vary from browser-to-browser, you should visit your browser's help menu for more information.

## How often will we update this Cookie Policy?

We may update this Cookie Policy from time to time in order to reflect, for example, changes to the cookies we use or for other operational, legal or regulatory reasons. Please therefore re-visit this Cookie Policy regularly to stay informed about our use of cookies and related technologies.

The date at the top of this Cookie Policy indicates when it was last updated.

**Where can I get further information?**

If you have any questions about our use of cookies or other technologies, please email us at [dpo@tentelemed.com](mailto:dpo@tentelemed.com).
